Embassy of the United States of America

Lima, Peru

February 4, 2021

Dear Sirs,

Subject: Request for Architect/Engineer Qualifications – MSGQ Renovation

The American Embassy in Lima, Peru is seeking for Architect/Engineer services needed to perform all work necessary to produce complete sets of construction plans and technical specifications for the renovation of the Marine Security Guards Quarters (MSGQ) located in Monterrico, Surco. This shall include, but is not limited to, any architectural, electrical, mechanical and engineering design and analyses, construction cost estimates, renderings, photographs and scale models.

We will select an Architect/Engineer firm based on technical qualifications. A&E firms will be evaluated based on the following:

- Relevant, professional qualifications of the firm for the type of work required;
- Specialized experience and technical competence in the type of work required;
- Demonstrated success on similar projects in terms of quality of work and compliance with schedules;
- Capacity to accomplish work; and
- Knowledge of locality of project

Firms wishing to be considered for this project should submit the attached Standard Form 330, including resumes of key individuals, no later than 10:00 a.m. on Tuesday, February 22, 2021 to Mr. Christian Rivas at rivascr@state.gov

Sincerely,

Carlos Quimpo
Contracting Officer

Enclosure (as noted)
